Training Record Summary (TN-TR-02)

One person's training items, completion dates, OJT, and recurrent due dates.

- Made by True North from the demo data. Example Aviation Services, its certificate, and every person named are fictional.
- 2 pages follow.
- Watermarked and flattened: this copy is for evaluation, not for use as a record or a form.
- True North is not FAA approved or AS9110 certified. The FAA approves your training program and your registrar certifies your quality system; True North keeps the records and writes the documents they ask for.
